

Help the Chamber Welcome New Teachers to Henry County

The Henry County Chamber of Commerce is proud to support Henry County Schools in its pursuit of educational excellence by sponsoring the 2008 Teacher Induction Program (TIP) luncheon on July 22nd, 2008. The luncheon is part of the week-long orientation of new teachers to the Henry County School System. The Chamber sponsors this event to welcome the teachers to Henry County, **but we need your help to make it a success.** You can help by sponsoring the luncheon or donating promotional items.

Approximately 300 new teachers will soon be arriving to join the largest employer in Henry County. They not only will provide educational opportunities for our children, but will also have a significant impact on economic development in Henry County.

We are asking Chamber members to help fund the TIP luncheon and provide items representing their businesses for teacher gift bags. A donation of 300 items will be needed for the gift bags. Below is TIP sponsorship information. All items for the gift bags must be received by noon on **Tuesday, July 15th, 2008.**

A list of preferred items and instructions for registration are on the back of this flyer. Printed advertisements such as promotional flyers, brochures, etc. will not be accepted unless it contains a valuable coupon for the teacher.

2008 TIP Luncheon Sponsorship Opportunities

Preferred Items for Teacher Gift Bags

Below is a list of preferred items, developed by teachers, for the TIP gift bags.* These are items often needed in the classroom each year. When you donate 300 items for new teachers, not only do you advertise your business, but you reduce the out-of-pocket costs for teachers to stock their classrooms. We hope you find value in helping Henry County's newest teachers start off on the right foot!
