2026 VALOR AWARDS

HENRY COUNTY PUBLIC SAFETY AWARDS

The Henry County Valor Awards recognize the extraordinary courage, leadership, sacrifice, and service demonstrated by the public safety professionals who protect our communities every day.

This prestigious countywide event brings together representatives from law enforcement, fire and rescue, emergency communications, emergency management, emergency medical services, healthcare, municipal leadership, and the business community to celebrate individuals and teams whose actions have made a lasting impact on the safety and well-being of Henry County residents.

Award recipients may include members of the Henry County Sheriff's Office; municipal police and fire departments from McDonough, Stockbridge, Hampton, and Locust Grove; E-911 personnel; EMS professionals; Emergency Management Agency staff; healthcare frontline heroes; and community partners whose actions have demonstrated exceptional commitment to public safety.

By sponsoring the Henry County Valor Awards, your organization demonstrates its support for the men and women who serve our communities while gaining visibility among civic leaders, elected officials, public safety professionals, business leaders, and community stakeholders from across Henry County.

We invite you to join us in recognizing excellence, honoring sacrifice, and celebrating those who answer the call when our community needs them most.
